**FRIENDLY REMINDER: DON'T FORGET YOUR \$1 BILLS**

As the anticipation builds for the upcoming World Euchre Championship, we wanted to take a moment to remind all participants to come prepared with a stash of dollar bills. We understand that many of you are seasoned pros, and the thought of getting Euchred may seem like a distant possibility. However, it's always wise to be equipped for any scenario that may arise during the heat of the competition.

**Why Bring Dollar Bills?**

While we have full faith in your Euchre prowess, we recognize that even the most skilled players can face the

occasional setback. In the spirit of preparedness, having some dollar bills on hand ensures that you're ready to cover any losses incurred during gameplay promptly. Bumps are \$2 (\$1 per person).

### **Other Options for Obtaining Dollar Bills**

**ATM:** We have an ATM conveniently located at the tournament venue for your convenience to withdraw cash, though you will receive larger denominations. Those then can be exchanged for dollar bills.

**Cashier:** You may exchange your larger bills for dollar bills with one of our friendly cashiers stationed at the registration desk or merchandise area.

**Table Runners:** If you find yourself running low on dollar bills during the game, simply flag down one of our attentive table runners, and they'll be delighted to assist you.

**At the Bar:** There is a full service bar on location, and they will have plenty of dollar bills for you to exchange for your larger bills.

We eagerly anticipate welcoming you to the tournament venue and witnessing your Euchre expertise in action. Until then, keep those cards close and those dollar bills closer!
